

Support Local Impact Through Your Stay

An initiative by Secret Bay and the GEMS Foundation

Secret Bay guests can now support meaningful community and environmental initiatives in Dominica through a voluntary donation of US\$100 per booking. This contribution supports the work of the GEMS Foundation and collaborative initiatives focused on Secret Bay's own conservation and community programs.

How It Works

- Guests may opt in to donate at the time of booking or at checkout.
- All donations support GEMS Foundation programs, including collaborative initiatives with Secret Bay focused on conservation and community development.
- All donations are tracked and reported quarterly for transparency.
- The donation is itemized on the guest invoice, and guests may give more if desired.

Where Your Donation Goes

GEMS Foundation

Your contribution helps advance education, entrepreneurship, arts, and environmental sustainability in Dominica through the following programs. It also supports collaborative projects between the GEMS Foundation and Secret Bay focused on marine, terrestrial, and wildlife conservation, as well as community development initiatives.

Education

GEMS Hospitality School: Paid internships hosted at Secret Bay and Fort Young Hotel for tourism and hospitality students

Scholarships and graduation awards at Dominica State College

Entrepreneurship

Phillip Nassief Entrepreneurship Challenge: A grant and mentorship program supporting new tourism-adjacent businesses

Arts & Culture

GEMS Artisan Market: A free public event featuring 30+ local artists and performers

Support for Waitukubuli Artist Association (WAA) and creation of a permanent seed hub

Environment

Environmental Champions Grant (November 2025): A grant program for community-led environmental preservation and eco-tourism projects
